Welcome

WELCOME to Bethany Beach. The Town's services are ready and available to serve the many diverse needs of this community, and on behalf of the Town Council and staff we welcome your engagement, creativity, and involvement in making this Town better each day.

Why a Guide? *As customers and consumers, we often receive guides on how to use an appliance or how to repair a play set. In today's service economy, however, most of us face much more difficult and complex decisions in the services that we receive and the relationships that we develop. We often need a guide to explain the services that we can and should expect from our service providers, and answers on how to obtain help when we need it.*

This guide outlines the services available to you and hopefully will help to answer your questions and concerns about our services. You should expect quality services at a reasonable cost, and the service that you receive should be easily available to every resident, property owner and business owner as well as visitors.

History

Founding

Bethany was founded by members of the Christian Church (also known as the Disciples of Christ) of Washington DC area and Pennsylvania. The original idea was not to found a Town, but to find a suitable tract of land for a permanent yearly seaside assembly for the Christian churches of the country. Bethany was named by H.L. Atkinson who won a nationwide contest. He was given a lot on the beach as his prize. Bethany still reflects the character of the early settlers who were looking for "a haven of rest for quiet people."

The First Building

The first building in Bethany was the Tabernacle, an octagonal auditorium on the assembly grounds of the Christian Missionary Society. It was dedicated July 12, 1901, though still uncompleted. It had brown shingles and was 100 feet in diameter with a cupola on top. That same day the deed to the Tabernacle and surrounding 15 acres was presented to Dr. Powers, representing the Christian Missionary Society by the Bethany Beach Improvement Company. The Tabernacle lasted 60 years until storms and termites destroyed the building.

Obstacles Overcome

Problems soon arose. A railroad had been promised but not delivered, water was poor, and rains poured into the Auditorium. As a result, the officers of the Bethany Beach Improvement Company were fired.

Six businessmen from Pittsburgh were sent to bail them out. In the fall of 1902, they bought up the company, moved to the Beach and put their stamp on development for years to come. These men included W.R. Errett, lawyer; John M. Addy, plumber; W.S. Kidd, steel manufacturer; R.S. Latimer, tea merchant; Dr. T.E. Cramblet, president of Bethany College in WV; and W.A. Dinker, the first president of the new company.

Totem Pole

"Chief Little Owl"

Overview

The 24-foot statue at the downtown entrance to Bethany Beach has been a landmark since 1976. The original statue was created by sculptor Peter Wolf Toth, a humanitarian who wanted to give thanks to the United States.

The sculpture was donated to the Town as part of his "Trail of the Whispering Giants" project. He created more than 50 wooden sculptures of famous Indians and donated at least one to every state. He also has some located in Canada.

Handicap Beach Access

Handicap Beach Wheelchairs

In order to accommodate those with a handicap who desire to leave the boardwalk and enjoy the beach, the Town of Bethany Beach presently has two specially made wheelchairs capable of maneuvering in sandy conditions.

The wheelchairs are light in weight and have large smooth tires that allow the wheelchairs to ride on the surface of sand, instead of typically miring down in sand. The wheelchairs are operated manually by the occupant and with possible assistance of a family member or friend.

Location of Handicap Access Ramps

Handicap crossovers to access the beach are located on Wellington Parkway and Ocean View Parkway.

Parking

The objective of the Bethany Beach Parking Department is to ensure safe, legal, and full utilization of all parking spaces within Town limits. Enforcement of regulations is a necessary adjunct to order within the community. All ordinances are based on Delaware Criminal and Traffic Laws.

Clear marking of spaces and adequate signage is designed to provide the public with parking directions without overburdening the area with excessive materials that detract from the beauty of the environment.

The Parking Supervisor is responsible for the parking parameters of the Town, based on direction from the Town Manager. Enforcement Parking Officers are empowered to issue summonses for all parking violations as defined by Town ordinance.

Emergency Management Services

Code Red

The Town of Bethany Beach has upgraded its emergency notification system. The Town is now using the CodeRED Emergency Notification System and it is an ultra high-speed telephone communication service for emergency notifications and the distribution of information considered to be important.

This system allows us to telephone all or targeted areas of the Town in case of an emergency situation that requires immediate action, such as an evacuation, contaminated water, hazardous chemical spill, etc. This system is capable of dialing the entire Town within minutes. It then delivers a pre-recorded message describing the situations to a live person or an answering machine in the affected area, possibly including instructions requiring immediate action on the part of the recipient.

Trash Free Cleanup

Free Cleanup is the last two weeks of April and October.

Bulk trash will be picked up free during these weeks. Leave it out where you normally leave your garbage, and Public Works will dispose of it at their convenience. There is no need to notify Town Hall.

This does not include construction material, hazardous materials, paints or explosives. Limbs/branches must be cut into six-foot lengths tied into bundles and the doors must be removed from major appliances.

Any other time of year there will be a fee at the discretion of the Public Works Director. Please call Town Hall, (302) 539-8011, for arrangements.

Note: It is recommended that plastic bag liners be used in all residential garbage cans to increase efficiency in collection and to reduce breeding of flies and mosquitoes.

Water Department

The Water Department is responsible for the operation and maintenance of the Town's water facilities. These facilities are staffed by three State licensed operators and consist of the following:

- Water filtration plant and stand pipe on Collins Street
- Six production wells
- Entire distribution system

Raw water is pumped from the wells to the water treatment plant. At the water treatment plant the water passes through numerous treatment processes.

Farmers Market

The Bethany Beach Farmers' Market brings an abundance of fresh locally grown produce from the fields of Sussex County to the shores of the Atlantic. Each Sunday morning during the summer season the historic and charming seaside Town of Bethany Beach, Delaware, is transformed into a vibrant marketplace teeming with locals and visitors alike experiencing the colors, tastes, textures and aromas unique to this coastal-agricultural community.

The market runs for an 11 week season from 8AM to 1200 Noon from June into September.

Fourth of July

The 4th of July Parade Committee is an all volunteer group. The Town of Bethany Beach supports with a great deal of logistical help such as Town officials, their staff and Town employees, the Police Department, Bethany Beach Volunteer Fire Company and the Public Works Department and their crew.

Fishing

Delaware now has fishing license requirements covering all of the state's waters. That means the new license covers both fresh and/or tidal water—and for the first time, it also covers both Delaware residents and non-residents who are fishing tidal waters.

The Delaware license for both fresh and tidal waters is also valid for recreational crabbing and clamming. There are new fees for charter boats and head boats, and an option for a recreational boat fishing license.

Residents age 16 to 64 inclusive, and non-residents 16 and older, need a license.

Licenses can be obtained online at:

Holts Landing State Park

Holts Landing State Park is located on the south shore of the Indian River Bay and 12 miles northwest of Bethany. Take Route 26 west from Bethany Beach and turn right on County Road 346 to the park entrance.

The park is a 203-acre Delaware state park located northwest of Bethany Beach, Sussex County, Delaware. Prior to becoming a state park the land was the Holt family farm. The Holts sold the land to the state of Delaware in 1957 and Holts Landing State Park was opened to the public in 1965. Holts Landing State Park is open for year round recreation and features the only pier on the east coast of Delaware that was built for crabbing and the recreational harvesting of blue crabs. It has a pavilion for picnics, boat ramp, horseshoe pits, playground, and ball fields. It also offers clamming and crabbing.

The park is open from 8:00 am to sunset, year-round.
